

# **LOCAL GOLF AND ETIQUETTE RULES & SCORECARD**

## **June 23, 2009**

### **Local Golf Rules**

1. The pond side edge of all bulkheads defines the lateral water hazard.
2. Yellow marked ponds on Nos. 3, 10, and 17 are in play as lateral water hazards from the forward tee box (s).
3. On No. 4, play the ball as it lies on the dirt portion of the cart path.
4. On No. 5, if the ball lands in the water hazard by way of out of bounds, there are three (3) options: play the ball as it lies, or under penalty of one stroke, play the ball from where the previous stroke was made or use the drop area.
5. Waste Bunkers – No. 10 (left side), No. 12 (right), No. 15 (left & right- with trees) and No. 18 (right).
6. Out of Bounds - The road to the right of No. 1 and No. 4 and beyond No. 8 and No.10 greens; and any land area across a pond adjoining private property.
7. Environmentally Sensitive Areas - Located on Nos. 4, 5, 12, 13, 14 and 15 may not be entered to search for or retrieve a ball. You may stand in the E.S.A. to play a ball not in the ESA.
8. Special Lateral Hazard Markings - On the right side of Nos. 14, 15, 17 and the left side of No. 18, the cart paths are marked with red rectangles. These special markings define the margin of the hazard. If your ball enters the hazard, under penalty of one stroke, relief may be taken on the fairway side of the cart path, no nearer the hole.
