

## MGA Policy on Ties

In awarding sweeps prizes for Wednesday and Saturday events, sweeps are split among tied individuals or teams. For qualifying events, shoot-outs, President's Cup, etc., comparing net scores on various holes will break ties. The comparisons start on the number one course handicap hole, No. 5, and proceed in ascending order through the white tee course handicap holes, until the ties are broken. For example, the second hole for comparison of net scores would be hole No. 15, the 2<sup>nd</sup> course handicap hole, and so forth.
