Greens Committee Meeting Minutes
March 17, 2010

ATTENDEES:	Mike Matthews (Chair)	Mike Clayton (Pro)
	Mike Cline (Sup't)	Darlene Hoffman (RLGA)

Sup't Report:	Winter fertilization to continue as well as the moss and palmetto trimming. This year's first aeration will be April 19. He is working to improve the drainage on hole number 6 and will use the aeration plugs to fill the current ground-under-repair area. In the near future he will veticut the greens to promote growth. He continues to be pleased with the decision to not overseed this year.
MGA Report:	No Report
RLGA Report:	Asked about the continuing use of the ropes across the fairways and was told that most of the cross fairway ropes will be coming down this summer
LNGA Report:	Asked about the toilets at restroom between #5 and #6. Mike Cline said he would look into the problem.
Pro's Report:	Praised the condition of the course in spite of the weather conditions this winter..Agreed with decision of not overseeding this year.
Old Business:	The painting of the hole markers is continuing..
New Business:	Asked about signage to indicate where the blue tees are on hole #5 and additional signage for directions to hole #11 as there seems to be continuing confusion to the outsiders going directly from #8 green to #11 tee.
	The next meeting is scheduled for June 16, 2010 at 2 PM in the Admin Conference room.
